## 2018 Weston Family Prize for Lifetime Achievement in Northern Research

### CALL FOR NOMINATIONS

The Weston Family Prize for Lifetime Achievement in Northern Research celebrates extraordinary and inspiring individuals who have devoted their career to natural science research and have demonstrated leadership and mentorship in the Canadian North.

The recipient will join a distinguished cohort deserving of recognition for their significant contribution and broad impact on the northern natural science community.

This prestigious award and designation includes a prize of over \$100,000: \$50,000 cash, \$50,000 to support a postdoctoral fellow of the recipient's choice, and additional funds available for travel and research expenses as well as First Nations and Inuit engagement.

Nominations for the Prize will be accepted until January 31, 2018.
