Lakehead
UNIVERSITY

ERIKA KNUTSSON, SWEDEN

For as long as I can remember, I have always wanted to travel to Canada so an academic exchange seemed to be the perfect fit for me. When looking through the list of Canadian universities, I immediately fell for the nature surrounding Lakehead University. Lakehead is a very friendly place, and I was always made to feel welcome here. If you are considering an exchange to Lakehead, don't hesitate – just go! My exchange at Lakehead was a truly Canadian experience.

CLAIRE THIEBAUT, FRANCE

I came to Lakehead University from France through the ORA exchange program to complete the last year of my bachelor's degree in International Affairs. One thing I appreciated was the availability of the professors to answer my questions both in and out of the classroom. This exchange helped me further my knowledge, especially because many of the courses I took involved topics that were new to me, such as the Canadian First Nations or Canada's political system. There are many opportunities on campus and in the city of Thunder Bay to discover the rich Northwestern Ontario culture!

Studying at Lakehead University is a truly Canadian experience.

With campuses in both Thunder Bay and Orillia, Lakehead University promises the total university experience: a blend of academic excellence and opportunity with a rich variety of social and recreational activities, making it the perfect place to study abroad. Each year, Lakehead University welcomes exchange students from all over the world. We look forward to welcoming you one day!

ORILLIA CAMPUS

The City of Orillia is located near the Greater Toronto Area (GTA) in the heart of Ontario's Lake Country on the shores of Lakes Couchiching and Simcoe. With year-round opportunities for recreation, culture and heritage, Orillia has all the amenities of a large urban centre with small-town charm. Enjoy the beautiful open spaces and waterfront parks around the city as well as the specialty shops, cafés, restaurants, movie theatres, and locally-owned boutiques. → city.orillia.on.ca
